

## PRESS RELEASE

### **EuroTrophy GmbH, a new German-based company for Trophy APS is established.**

**Frankfurt, March 29th 2022** – EuroTrophy GmbH, a new German-based company for the marketing, sales and production of the advanced Active Protection System (APS) for wheeled and tracked armored vehicles “Trophy” was incorporated on March 28th by Krauss-Maffei Wegmann (KMW), General Dynamics European Land Systems (GDELS) and Rafael Advanced Defense Systems (Rafael).

EuroTrophy GmbH focuses its business activities on NATO and EU customers in Europe. The company will also provide qualified vehicle integration services and related through-life support for the APS.

A transfer of technology will allow for the local production of the Trophy APS in Germany.

The transfer of state-of-the-art technology, local production, maintenance and services will significantly improve the security of supply of the Trophy APS in Europe.

Mr. Mark Stockfisch, Ms. Daniela Müller and Mr. Dan Kalfus are appointed management board members and will lead the newly established company.

**Krauss-Maffei Wegmann**, a member of the German-French defense technology group KNDS, leads the European market for highly protected wheeled and tracked vehicles. At locations in Germany, Brazil, Greece, Hungary, Singapore, the United Kingdom and the USA more than 4.000 employees develop, manufacture and support a product portfolio ranging from air-transportable, highly protected wheeled vehicles (MUNGO, AMPV\*, DINGO, GFF4 and BOXER\*) through reconnaissance, anti-aircraft and artillery systems (FENNEK, GEPARD, Remote Controlled Howitzer 155, Armoured Howitzer PzH2000, DONAR\* and AGM) to main battle tanks (LEOPARD 1 and 2), infantry fighting vehicles (PUMA\*) and bridgelaying systems. In addition, KMW has wide-ranging system competence in the area of civil and military simulation, as well as in command and information systems and remote-controlled weapon stations with reconnaissance and observation equipment. The armed forces of more than 50 nations worldwide rely on tactical systems by KMW.
