

In order to become a new supplier for Krauss-Maffei Wegmann GmbH & Co. KG, only a few steps in our supplier portal are necessary.

In this way we can guarantee a targeted and efficient processing of your application.

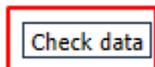

To assist you, you will receive a short instruction for the application as a new supplier:

(1) Registration of your company in the supplier portal under the following link

<https://sp.kmweg.de/portal/kmw/register.php?l=eng>

In the first application step you have to register your company in the supplier portal.

To do this, open the registration page via the link provided above and fill in at least all mandatory fields (fields marked with *). Afterwards, you must have your details checked for plausibility and completeness by clicking the "Check data" button.

If mandatory fields are still empty or filled in wrong, they will get marked red as shown below. Then you have to correct oder finalize your input there in order to complete the first registration step.

General company data

Company name*: [REDACTED] *

(* potential error message)

If your submitted data is complete and filled in correct you can finalize your registration on the button "Send". This button will be shown after the successful plausibility check of your data and replaces the button "Check data" at the end of the registration site.

WARNING:

Please note that the dispatch of your registration does not constitute a complete application. In case you will stop your application process here, your registration will not be tracked further.

It is absolutely necessary, that you fill in the data in your small supplier profile in timely manner as the next step of your supplier application (see here *step (2) application by filling in the small supplier profile*).

(2) Application by filling in the small supplier profile

After you have finalized your registration and sent your data, you will receive a feedback notification on the top of the site:

Registration finished successfully.

We thank you for your registration. You may now log into the Portal.

Your personal password has been sent to your email address.
